STATUE ON ST. JOSEPH'S HALL.

FOUNDATION

THE establishment of the Capuchin Fathers at Mt. Calvary, in 1856, led to the foundation of a college in which postulants for the Order might be prepared for their vocation. To make this College more generally useful, its doors were opened in 1861 to young men aspiring to the holy priesthood among the secular clergy. The attendance during the first years was small and the growth of the institution slow, owing to the poverty of the founders, the limited means of the early Catholic settlers and all those difficulties and embarrassments with which pioneers must contend. The modest beginning, however, continued to prosper, almost every year witnessing some addition or alteration, until the traditional quadrangle of the monastery was completed and surrounded by a group of buildings for the accommodation of students.

The main building of the present College was erected in 1881, and in the same year the province of St. Joseph of the Capuchin Order was incorporated, pursuant to the Laws of the State of Wisconsin, for the purpose of conducting churches and colleges.

GENERAL INFORMATION.

Direction—St. Lawrence College stands under the direction of the Capuchin Fathers of the Province of St. Joseph, whose Provincial is ex-officio President of the College and whose Definitors are its Trustees.

Name—Its patron and model is St. Lawrence, an illustrious Saint of the Order of Capuchins. Born at Brundisium, Italy, July 22, 1559, he entered the newly founded Order of Capuchins at the age of 16. In his earliest youth he had exhibited a wonderful development of the faculties of his mind and heart, and in his higher studies at Padua he excelled above all his competitors in intellectual penetration, retentive memory, gentle disposition and untiring diligence. His knowledge of Latin, Greek, Hebrew, Chaldaic, German, Bohemian, French and Spanish was considered miraculous. His faculty in dealing with the most intricate philosophical and theological questions, together with oratorical powers and profound piety, caused him to be appointed Lector of the Venetian Province of the Order when only 22 years of age. He soon after became Guardian, in 1587; Provincial, in 1593; Definitor General, in 1596; Papal Legate to Germany, in 1599; the inspiring director of the Christian forces against the Turks, in 1601; General of the Order, in 1602; Papal Envoy to Germany, in 1606; to Bavaria, in 1609; to Spain, in 1619. He died July 22, 1619, was beatified in 1783, and canonized by Leo XIII, Dec. 8, 1881.

Object—The general aim of this institution is to educate young men for the holy priesthood. Therefore, only such boys and young men as desire to become priests, and also such others as having some thought of becoming priests are undecided in the matter but are willing to take up the classical course in order to make a test of their vocation, will be admitted as students of St. Lawrence College. A special aim is to prepare aspirants for the religious life in the Capuchin Order.

Location—St. Lawrence College enjoys a very beautiful location 600 feet above Lake Michigan and 400 feet above Lake Winnebago, only a few miles distant. It is sufficiently elevated to enjoy a bracing atmosphere, at the same time sufficiently remote from the chilling vapors of the lake. In its elevated location it commands a charming view of one of the most fertile and best cultivated sections of Wisconsin. The surrounding grounds have been attractively improved, to make Mt. Calvary a secluded and pleasant retreat for the lover of study.

Accessibility—Mt. Calvary is a small village 12 miles east of Fond du Lac and one mile and a half from Calvary, a station on the Fond du Lac and Sheboygan branch of the Chicago & Northwestern railroad. Connections are made at Fond du Lac with the main line of the Chicago & Northwestern, the Chicago, Milwaukee & St. Paul, and the Wisconsin Central roads; at Plymouth with the Milwaukee & St. Paul; at Sheboygan with the Lake Shore line. Trains leave Fond du Lac at 10:15 a. m. and 5:25 p. m.; Sheboygan at 7:00 a. m. and 2:15 p. m. Best connections are made by way of Fond du Lac.

The Buildings—The church with the monastery are brick structures forming a large quadrangle. In the south wing of the latter are the kitchen and refectory for the students. The main building of the College is a massive edifice with a basement and four stories, containing study halls, dormitories, recitation rooms, recreation rooms, etc. St. Joseph's Hall contains a spacious dormitory, several rooms for piano practice and rehearsals, as well as a trunk room. St. Thomas Hall is devoted to literary assemblies, dramatical and musical entertainments and gymnastic exercises. A beautiful chapel has been erected at great cost for the exclusive use of the students. It is furnished with artistic altars, numerous statues and tasty decorations.

Methods of Teaching—The success of our educational work is secured by the uniformity of method in the teaching of all instructors, who, in regular conferences, deliberate on the methods most natural, thorough and effective for the advancement of the student in the various branches of study, and faithfully adhere to the adopted methods of the institution.

Discipline—For the maintenance of order, reasonably strict regulations are necessary. The students are under the supervision of the Rev. Fr. Prefects or their assistants; but obedience to the rules is enforced more by moral motives than severe methods. The Rector reserves the right to dismiss any student, who, after repeated admonition, shows a character so doubtful as to require extraordinary supervision.

Scholarships—A limited number of scholarships is granted to poor and deserving boys who aspire to the holy priesthood in the Capuchin Order.

Degrees—This institution, by virtue of the charter of the Province of St. Joseph of the Capuchin Order, is empowered "to confer such degrees and grant such diplomas as are usually conferred by similar institutions."

SPECIAL DIRECTIONS.

Parents and Guardians, for obvious reasons, are earnestly requested to send their sons and wards at the beginning of September. Although students may enter at any time, none will be admitted for a shorter period than one term.

Boys under 12 years of age will not be admitted.

Satisfactory testimonials of good conduct will be required from those who come from other institutions.

Candidates for admission to advanced classes must pass an examination, after which they will be assigned to the class for which they are found qualified.

Students who receive permission to leave the institution for brief visits will report to the Rector before leaving and immediately after their return.

When a student takes sick he will be carefully nursed, and, should his illness prove dangerous, parents and guardians will receive timely notice. Extraordinary expenses for medical attendance will be charged to the student.

All necessary books, stationery, etc., can be bought at the College at current prices.

No advances will be made by the College for stationery, clothing, pocket money, fares or other expenditures, unless a sufficient sum has been deposited with the Rector.

Parents and Guardians should allow their sons and wards only a moderate amount of pocket money, which should be deposited with the Rector, who will give it as prudence may suggest.

Express charges on parcels sent to students must be **pre-paid**. Eatables should not be sent to students, except during the Christmas and Easter holidays.

All accounts must be settled before a student leaves the Institution.

Should a student enter after the beginning or leave before the end of a term, no deduction will be made for less than a month.

Students should not be called home during the term except for the most urgent reasons.

SERAPHIC SCHOLASTICATE

THE Seraphic Scholasticate offers special advantages to students desiring to become members of the Capuchin Community, and to serve God more disinterestedly as priests in the religious order. The Scholastics have private rooms in the monastery. They also have their own refectory and recreation hall. They wear a light habit of brown cloth and take part in several of the religious exercises of the community, which enables them to observe and become familiar with the usages and practices of religious life before assuming its responsibilities. They are under the special guidance of a spiritual director, and visit the College only to attend classes of the regular classical course.

Before students are admitted into the Scholasticate they must have been pupils of St. Lawrence College for at least one year and must have completed the second Latin Class.

Director of Scholasticate.

SOCIETIES.

I.—Third Order of St. Francis.

The Third Order of St. Francis presents the best rule of conduct in the service of God and the work of salvation in every walk of life and under the most varied circumstances. Whosoever lives according to the letter and spirit of this holy rule is preserved from danger to his eternal salvation, receives numerous graces and inspirations for his sanctification, and will, in sentiment and action, be a true servant of God. Our late Pope Leo XIII, himself a Tertiary, has brought the merits of the Third Order before the world in an admirable encyclical, as the remedy for the evils of our times, so nearly resembling the time for which that true reformer, St. Francis, instituted this Order. His urgent appeal to the bishops of the world to propagate the Third Order has made it popular with cardinals, bishops and priests. Enrollment in the Third Order is therefore encouraged among the students. Applicants must be 16 years old. The members have monthly meetings and devotions in the college chapel.

SCHEDULE OF COURSES.

The College comprises a **Classical** and **Philosophical** Course.

The **Classical Course** covers a period of five years and embraces the study of Latin, Greek, English, German, French, Grammar, Composition, Rhetoric, Literature, History, Geography, the Elements of Botany, Zoology, Physical Geography and Physics.

The **Philosophical Course** extends over two years. In the first year the Classics are completed. The other branches taught are: Logic, General Metaphysics, Natural Theology, Ethics, History of Philosophy, Hermeneutics, Church History, one of the Natural Sciences and Hebrew.

Christian Doctrine receives the most careful attention, as there can be no real education or effective moral training without it. This instruction is based upon Catechism and Bible History in the preparatory, first and second classes, upon the exposition of the Ecclesiastical Year in the third class, and upon the evidences of the Catholic Religion in the fourth and fifth classes.

Latin is taught in all grades of the Classical Course. Paramount attention is paid to Precepts and Practice and the memorizing of Paradigms. No amount of translation of the prose and poetical Models is specified, but much time is devoted to the analysis and remodeling of the selections from classical authors. Translations from English into Latin, several times a week, in all the grades, afford the student ample opportunity to appropriate the words and phrases, upon which he has been drilled in reading the Models.

Greek is taken up in the second year, and continued during four years on the same plan as the Latin. Three hours are devoted to it every week.

English is taught in all its phases: Penmanship, Spelling, Grammar, Composition, Rhetoric and Literature. Although the students are almost exclusively of German descent, the study of the English language is by no means neglected, but receives all the attention due to its prime importance as the language of our country. Three hours a week.

German is obligatory in all courses in view of its essential value as an accomplishment, and its positive benefit in active life. The study of German includes Penmanship, Etymology, Syntax, Composition, Rhetoric, Poetry and Literature. A special feature of the Institution is, that the students make extensive use of German in their conversation. Prayers and exhortations, as well as table reading, are alternately German and English. Three hours a week.

French is optional for students of the third year and higher classes. On account of the literary and practical value of the French language, its study is recommended. Two hours a week.

Arithmetic is one of the foremost branches in the first and second year classes. Algebra in the third and fourth, Geometry in the fourth and fifth. Three hours a week.

History is taken up in the first class. Bible History and United States History furnishing the texts for the first and second classes, Universal History in the third, fourth and fifth. Mythology is treated with the Latin and Greek Classics. Two hours a week.

Geography is treated as supplementary to History and as a prolific source of culture, in the first class. Two hours a week.

Sciences have been taught this year in the departments of Botany, Zoology, Physical Geography, Geology and Physics. Two hours a week.

Drawing may be taken once a week, to acquire facility in the use of pencil and crayon in free hand sketching of landscape, portrait and architectural designs. Advanced students receive instruction in water color and oil painting free of charge, except for materials.

CHRONICLE OF EVENTS.

1909

July 8-10—The Provincial Chapter of this Province of the
 Capuchin Fathers was held at Detroit, Mich.
 Very Rev. Antonine Wilmer was re-elected Pro-
 vincial of the Order and President of St. Law-
 rence College. The Rev. Fathers Gabriel
 Messmer, Benno Aichinger, Capistran Claude,
 and Benedict Mueller were elected De-
 finitors and Trustees of the College. Several
 Professors were assigned to other monasteries

and three newly ordained Fathers took their place as Professors. These new Professors are Revs. Nerius Semmler, Celestine Bittl, and Josaphat Muesig. At this Chapter it was decided that Philosophy is to be introduced in the curriculum of the college in September.

- 7-8—The Biennial reunion of the St. Lawrence College Alumni Association took place within our college walls. Thirty-one alumni were present and made the old halls ring with the cheer of true Calvary boys. Solemn High Mass was celebrated in the College chapel, on July 7, by Rev. S. Bernard, president of the association, assisted by Rev. C. Stetter as deacon, Rev. P. Leo, O. M. Cap. as subdeacon, and Rev. N. Weyer as master of ceremonies. A number of seminarists (alumni) assisted as acolytes and thurifers. The banquet was served at 12 M., during which many humorous speeches were delivered. In the afternoon the regular meeting was held. Mr. M. H. Wiltzius was chosen vice-president, while all the other officers were re-elected.

It was decided to issue an annual appeal and report regarding the college alumni fund, to be mailed to every alumnus, asking his co-operation with the alumni association. A body of promoters is to be appointed for every state or Diocese, on whom it will be incumbent to inquire after college alumni and to solicit their interest for the association. This plan was proposed and strongly supported by Mr. Wiltzius. All alumni are to receive a list of questions regarding the history of the college. They will also be requested to furnish any matter capable of increasing the chronicles of their Alma Mater.

The evening was devoted to merry-making and reviving the scenes of former times.

On July 8, a Solemn Requiem High Mass was sung by Rev. M. Benzinger for all deceased members of the college and the alumni association. The celebrant was assisted by Rev. Fr. Kleser as deacon, Rev. B. Salbreiter as subdeacon, and Rev. N. Weyer as master of ceremonies.

Great credit is due to the officers of the association for taking such a lively interest in the association and their Alma Mater. To their zeal

the grand success of the reunion must be attributed. All predictions favor a splendid reunion in 1911.

- Sept. 7—The students arrived for the scholastic year 1909-1910. It was a pleasing sight to see so many enlivened spirits on the mount once again. Especially gratifying was it to see the senior students speaking to the "freshmen", whose number was exceptionally large this year, introducing and familiarizing them with their new home. At 8:30 all were called to the chapel, where Rev. Rector bade them a hearty welcome and spoke a few words of encouragement for the new year. After this they retired with joyful hearts anticipating that success which through the blessing of God, has crowned our combined efforts.
- 8—Formal Opening with Solemn High Mass, celebrated by the Rev. Rector, assisted by the Rev. Prefects, Fr. Leo and Fr. Neri. *Veni Creator. Benediction.* 130 students were present. Classes resumed.
- 27—7:30 P. M. Annual retreat opened. The retreat-master, our Very Rev. Fr. Provincial, deeply impressed the students with the duty of sanctifying their souls, told them what means to use, and what qualifications are necessary to the candidate for the priesthood. The students, on their part, showed their good will by the earnestness with which they performed the daily exercises and the attention with which they listened to the lectures.
- Oct. 2-4—During these three days the jubilee celebration of the seventh centenary of the great Order of St. Francis took place in the Parish Church. On Saturday, Oct. 2, the festival was inaugurated by the Rev. Fr. Guardian, with Solemn High Mass and Benediction. On the following day the High Mass was sung by Fr. Josaphat, assisted by Fathers Celestine and Athanasius, while our efficient professor of history, Fr. Salesius, in his festive oration, masterfully developed the chief events of the inspiring history of the Seraphic Order. But the principal celebration, at which the students sang, took place on Monday, the

feast of St. Francis. The Rev. Rector sang the High Mass, and Fr. Celestine, our professor of philosophy, drew a glowing picture of the founding and development of the Third Order. A rousing *Te Deum* closed the imposing ceremonies.

The day was further made memorable by the observance of the silver jubilee of the Ven. Brother Gallus, O. M. Cap. The humble brother had asked that no public celebration of the anniversary be held, hence the ceremonies were limited to a simple and quiet renewal of his monastic vows immediately after Convent Mass. For the last fifteen years Bro. Gallus has been the popular and faithful infirmarian of St. Lawrence College. *Ad. multos annos!*

- Oct. 12—The long looked-for visit of His Grace, the Most Rev. Archbishop of Milwaukee at last came. It is always a day of great joy for the students of the Laurentianum when the Most Rev. Archbishop is in their midst. On the evening of the 12th a programme, specially prepared for the occasion, was rendered. In his response His Grace expressed his appreciation of the hearty welcome tendered him and praised the institution for its noble work. He granted the boys a holiday.

On the morning of the 13th the Holy Sacrament of Confirmation was administered by His Grace in the Parish Church. Twenty-six Students also were among the happy ones.

In the evening a reading, illustrated with colored lantern slides, on "Ben Hur" was given by Rev. P. Wagner of Sheboygan, Wis.

- Nov. 1-2—All Saints Day. Solemn Services in the Chapel. Profession of eleven students in the III. Order. Thirty new members were invested. In the afternoon procession to the cemetery where the students prayed for the deceased Professors and Lay-Brothers. An edifying spectacle was the zeal the boys displayed on All Souls Day in gaining Plenary Indulgences for the poor souls.

- 25—Thanksgiving Day. Solemn Mass of Thanksgiving celebrated by Rev. A. Roder of Seymour, Wis., assisted by Fr. Josaphat, O. M. Cap., as deacon, and Fr. Nerius, O. M. Cap., as subdeacon.

Benediction. Te Deum. In the afternoon the St. Thomas Literary Society presented the drama "If I were King". The participants had sacrificed much of their free times to rehearse the play and their efforts were crowned with success. The audience, especially the visiting clerical friends, was highly delighted and voiced their sentiments by words of praise and congratulation. The guests of the day were besides Rev. A. Roder, Rev. J. J. Looze, Oconto Falls, Wis., Rev. J. Schmitt, Gillett, Wis., Rev. J. A. Therien, Niagara, Wis., Rev. R. Kramer, Dotyville, Wis., Rev. J. H. Huhn, Jericho, Wis., Rev. Cyril Baumeister, O. C. D. In the evening the students Glee Club made its first appearance and entertained the Rev. Guests, Rev. Professors and students by rendering several Music Selections, Songs and a short play entitled: "Vogel Orgel".

Dec. 21—At 7:00 P. M. the St. Lawrence Literary Society invited the professors to an entertainment in St. Thomas Hall. The members ably rendered the play: "The Wager of Gerold O'Rourke", very appropriate for the occasion as it presents a conversion on Christmas Day. The St. L. C. Band and Orchestra favored us with some new selections.

22—Christmas vacation began.

Christmas vacation at the College will be most agreeably remembered by those whom circumstances did not permit to visit their homes. The Christmas Carols around the illuminated Christmas Tree, the impressive Midnight Services, the Sleighride Party to St. Joseph, the merry evening entertainments, have made these days, even away from home, a joyous, happy season.

1910

Jan. 7—Classes resumed.

24-26—Written examinations.

27-29—Oral Examinations. Very Rev. Antonine Wilmer, O. M. Cap., Provincial, and Rev. Benno Aichinger, O. M. Cap., Definitor, presided. A pleasant change during these exercises was

given to the Rev. Guests and Professors by the students in the elocution prize contest. After the examinations our Very Rev. Father Provincial thanked in his own name and in the name of the students, the Rev. Professors for the work during the past term, and addressed a few words of encouragement to the students and wished them a hearty "God-speed" in their work for the coming term.

Rev. Ed. Schimberg and Rev. M. Jaekels were visitors at the College and acted as judges in the Elocution Contest.

Feb. 3—The semi-annual reports were distributed and the elocution premiums awarded.

8—Shrove-Tide. As is customary the students rendered a humorous play. This year they presented "Eine Reise um die Welt in 80 Tagen". All the actors performed their parts very well and deserved the universal applause that they received. Hilarity reigned supreme and all left the hall with the assurance that they had enjoyed three very pleasant hours. In the evening an entertaining social was held.

The guests of the College were: Very Rev. Fr. Provincial, O. M. Cap., Rev. J. H. Huhn, Jericho, Wis.; Dr. P. A. Hoffmann, Cambellsport, Wis., Mr. Peter Baier, an alumni, Chicago, Ill., and Mr. Andrew J. Theiss, School Teacher at Johnsburg, Wis.

11—With deep sorrow we learned of the death, at Milwaukee, of Rev. Peter Ernsdorff, O. M. Cap. Father Peter had been for twelve years a very energetic professor at the Laurentianum, most beloved by all the students. At all times he showed great interest in the work of the College. On Monday, Feb. 14th, a solemn Requiem High Mass was celebrated in the College Chapel by Fr. Rector, assisted by the Fr. Prefects, for the repose of his soul. R. I. P.

March 5-7—On Saturday, March the 5th, Mr. Anthony Zavadil, professor of elocution, came from Milwaukee through the invitation of our Very Fr. Provincial, to spend three days with us giving instructions to our students on his Common Sense System of Elocution. His instructions

were eagerly listened to although they lasted each time fully two hours. He laid down the principles of Natural Expression, elucidating them by suitable examples, and having had certain pieces declaimed by the students, he showed them how they ought to be delivered. His efforts will be thankfully remembered and we hope to see him here soon again.

On March 6th, a debate of universal interest was carried on by the members of the St. Thomas Aq. Lit. Soc. The question, "Resolved, That the study of History is more profitable than that of Literature", was hotly contested. It was decided in favor of the negative. The Very Rev. Fr. Provincial, the Rev. Professors of the College, Mr. Zavadil and all the students were present.

March the 7th, being St. Thomas' Day, patron saint of the Schools and of the Senior Literary Society, was celebrated with the usual solemnity. At the six o'clock Mass the members received Holy Communion. At 8 o'clock Solemn High Mass was sung by the Very Fr. Provincial, assisted by Fr. Boniface, as deacon, and Fr. Salesius, as sub-deacon. The panegyric was delivered by Fr. Celestine, professor of philosophy. In eloquent and polished language he placed St. Thomas before his audience as the "Saintly Scholar" and as the "Scholarly Saint". He exhorted the students to imitate him by striving for knowledge and virtue, and consecrating the faculties of soul and body to the glory of God and His Church. In the afternoon a social gathering of the society members was held in the hall, where Mr. Zavadil entertained the students by a treat in elocution before he took his leave.

- 10—Ice having formed over the meadow south of the hill, Fr. Rector gave a half-holiday for skating, the only skating the boys could enjoy on account of the deep snow since the first week of December.
- 17—The students played their first baseball game of the season.
- 23-26—Tenebrae were sung in the parish church during the holy triduum. To the credit of the music

STATUE OF THE BLESSED VIRGIN.

professor and the students it must be said that the rendition was excellent and surpassed that of other years. The morning services were held in the College Chapel. On Maundy Thursday, during the day, Adoration of the Blessed Sacrament, and on Good Friday, Way of the Cross and Devotion in honor of Our Lord's Agony.

- May 1—After two weeks of cold weather and snow, the first of May came with the most pleasant weather. Something very desirable for our May-Day Procession. At 1:45 p. m. the bell called the students to the chapel for the opening of the May devotions. After the singing of the "Regina Coeli" the procession formed. During the same the rosary was recited, hymns were sung and the band played a few sacred hymns. Having arrived at the shrine, the statue was put into its place. Fr. Josaphat, O. M. Cap., then delivered his sermon exhorting the boys to reverence, love and obedience towards their heavenly Mother. The Litany of the Blessed Virgin having been said and the Magnificat chanted, the procession formed again to return to the chapel where the services were concluded by Solemn Benediction.

10—Eve of Rev. Father Rector's Name-Day.

If enthusiastic interest in preparing for this festivity is among the tests to probe the true mettle of collegians this year must give the highest testimonial to the students' loyalty and grateful devotion towards superiors and institution. Nothing simply was left undone which inventive love could devise and trained ability carry out.

2:45 p. m. The S. L. C. Band, with a delegation, consisting of two members from each class, escorted Father Benedict and the Reverend Faculty to St. Thomas Hall which had been newly festooned and beflagged for the occasion. Here, entirely among themselves, the assembled students compressed into an hour's program all their congratulations and feelings which another scholastic year had only deepened and increased. As a living memorial they then offered their Name-day-gift; namely, a complete set of Shakespeare's Works, comprising 40 volumes of the "Booklovers Edition" together with about

35 other valuable books. Rev. Father Rector was greatly touched and thanked them in a fatherly address.

11—Feast of St. Benedict of Urbino: Rector's Day.

6:00 a. m. All Students received Holy Communion in the festively decorated chapel.

8:00 a. m. Solemn High Mass, sung by Rev. Fr. Rector, assisted by Rev. Fathers Ludger and Corbinian, O. M. Cap. Benediction. The Senior Choir seldom sang better than in rendering the new Mass this morning.

2:00 p. m. For the more public celebration the great Hall was crowded and, during the brilliant 3-hour program, every new number on the stage or in the music-circle called forth a fresh burst of cheer and applause.

7:00 p. m. May Devotion.

8:00 p. m. Display of fireworks and social informal exchange of good-fellowship in the entertainment hall. Rev. W. Pichery of Jefferson, a student of 1873, who had come too late for the other celebrations was given an enthusiastic welcome and was forced to give an address. Several greatly relished humorous selections enhanced the merry and jovial spirit among all.

Among the esteemed guests of the day were: Very Rev. Dom. Thill, Rev. J. P. Van Treeck, Rev. Cyril Baumeister, O. C. D., Rev. Oscar Ziegler, Rev. J. Huhn, Rev. Steph. Zohlen, Rev. Rudolph Kramer, Rev. G. Hausler, Rev. J. Cherne, Ph. A. Hoffmann, M. D., J. M. Baasen, M. D., Prof. Jos. Feustel, Sheboygan.

ST. THOMAS AQUINAS.

O noble scion of a noble race,
With glory dowered that shall never fade,—
From Heaven's raptures cast thine eyes on us
Who kneel in homage, to thee humbly paid.

Though born of mortals and like mortals frail,
With sinful men thy lot seemed not to be,
Thine was the purity and innocence of soul
That vied in truth angelic purity.

If e'er a youth beguiled the glow of gold,
And grace of mind and body, and a name:
Unscathed thou passed the fiery ordeal,—
Though in the World, to thee it had no claim.

Of intellect a brilliant, soaring flame,—
Kindled by Him who is the source of light,—
Fashioned thou wert for visions of the spheres
Which reach so far beyond our flutt'ring flight.

The viewless arrows of thy thoughts pierced through
The mysteries which Nature fain would hold,
And winged with flames of love upward they soared
Till lost in joys no tongue has ever told.

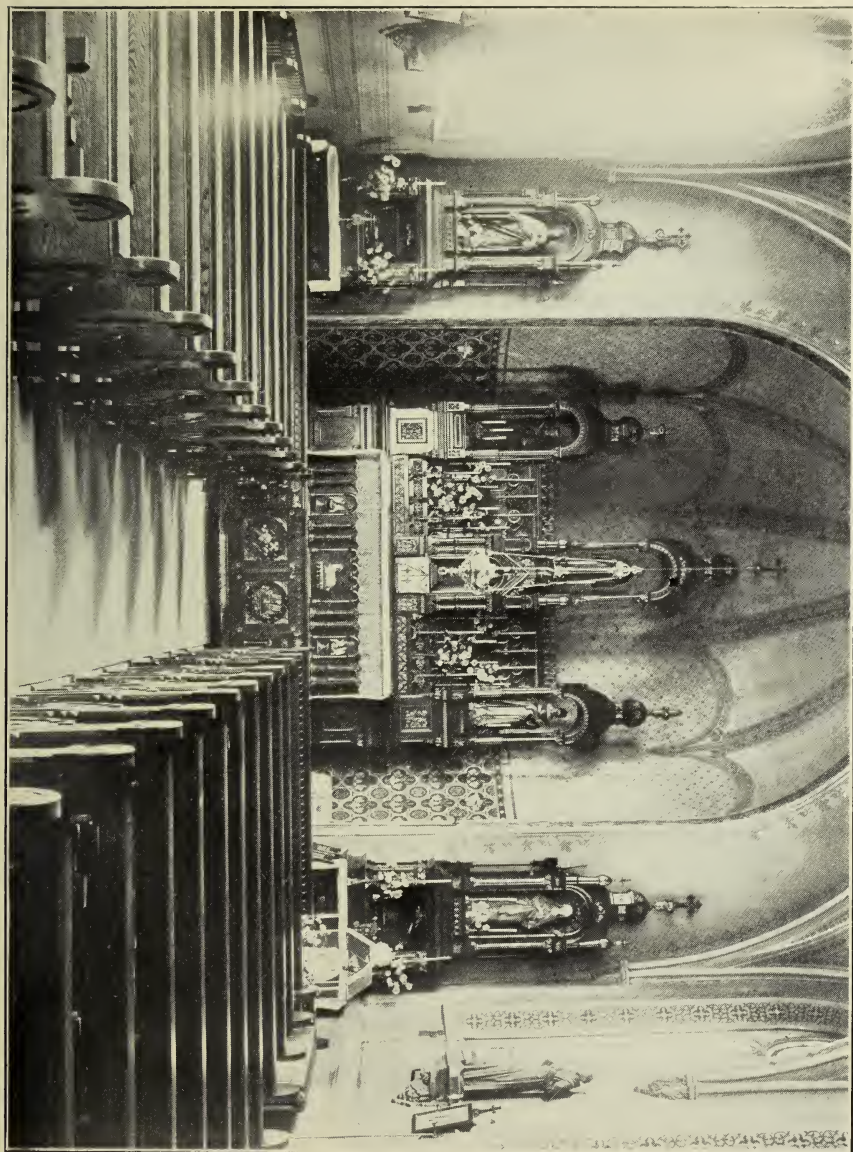

A glorious sunrise, in thee Wisdom burst
Upon the Church of God; all eyes were raised
In wond'ring love to thee, nor one that feared
To follow thee, whom e'en the Master praised.

But more we love thee, when, with glowing hearts,
The moments we recall in rapture spent,
Thrilled with the music of thy heavenly lyre,—
Sweet singer of the Holy Sacrament!

Beam then on us, bright Star, in darkling days
Our lot is cast; protect our budding youth
From error's with'ring drough and sin's dire blight;

Lead us to God through life's deceitful ways,
Teach us to fling the winged shafts of truth
And win the peace that crowns the valiant fight.
